### Summer Holiday Activity Timetable 2011.

All activities, clubs and events must be booked in advance and a deposit is essential to reserve places. You are invited to leave registered and booked children and young people from 5 – 21 years of age, with any level of disability or special needs, their friends and families. We also have a number of activities and events for very young children and babies, which are to be attended and enjoyed by the whole family or at least one supporting parent, or carer. Please call for further information as required.

There will remain opportunities to book appointments with consultants depending upon their availability and for children and young people to book space at the centre to meet with friends and have fun, use the computers, or musical equipment or to have a game of basketball in the gym, again, depending upon availability. Please call and discuss this with us if you are interested.

We are also around to continue to nurture the garden and sit out and enjoy the peace and quite here. Please book time to come and join in by calling 01280 824871.

We hope to see you all over the holidays. Please book spaces in plenty of time to avoid disappointment, particularly in regard to the camp which is later this year. Young people will need extra blankets and warm night clothes as the temperature is likely to drop at night.

Volunteers very welcome, please help us to make this another successful, fun and enjoyable summer, call and let us know when you can join us and help to support activities please.
